

Dutchess County Craft Beverage Producers Offering Pick-up and/or Delivery

During this time in response to the COVID-19 pandemic, we have compiled a list of our local Dutchess County craft beverage producers continuing to serve you through pick-up and delivery. In the midst of such an uncertain time, it's important to work together and continue to support small local establishments, as they are working hard to serve us!

This list was created as of **March 20, 2020** and we will continue to update this list on a regular basis. Please note that this **information is likely to change, so please check in directly with producers before placing orders.** Additionally, **several businesses are operating under modified schedules.**

If you are a Dutchess County craft beverage producer and do not see your business on this list or have updated your service, please contact us at info@dutchesstourism.com with any changes.

We continue to keep the health and safety of our community, residents and visitors at the top of our priorities. Thank you all for your cooperation as we continue to navigate this new climate and support one another through the change.
