

The Dutchess County area is not only rich in history, but abundant in old schoolhouses. Many have been converted to residential use and some are just beginning the restoration process. However, a number of the schoolhouses are now open to the public and sponsor many events during the summer.

Please visit the schoolhouse display at the Dutchess County Fair in the Mt. Ross School, and watch for the Dutchess Schoolhouse Tour in 2010.

Most member schoolhouses are open by appointment. Please call or email for hours, event dates or directions, or use mapquest.

For more information, please contact Ann Linden at IndianRockSchool@aol.com
