Famous Farm Tales

Write your own story:

It was a ___________ and ___________ day.
After the train trip north, we visited ___________

I liked to see ___________.
The ___________ was ___________.
We ate ___________.
It tasted ___________. I will never forget the ___________.

Next time I want to ___________.

Ordinary Farm Tails
How to find a star in a Dutchess County orchard:
What did you see on your visit to Dutchess County? Fill in the blank space.
Help Daisy find her way out of the corn maze to her friends
What did the Grape say when the Farmer stepped on it?

Nothing - It just let out a little wine.
What's in a teaspoon of dirt?

Who studies bugs?

Why do apples float?

How many stomachs does a cow have?

Where do we find the best fruits, cheese, wool, wine, fresh vegetables, and packaged teas?

Train of thought...
page 3

answers:

cow
church
beets

page 11

The best fruits, cheese, wool, wine, fresh vegetables and packaged teas can be found in Dutchess County!

A cow has 4 stomachs!

Apples float because 25% of an apple's volume is air!

An entomologist studies bugs!

A teaspoon of dirt contains more living organisms than the number of people living on earth!
