

### Safe Riding and Walking Suggestions

- All bicyclists and pedestrians should be aware that they are riding and walking on public roads and are subject to all vehicular traffic regulations.
- Bicyclists travel with traffic, on the right side of the road, or on the right road shoulder where available.
- Pedestrians should use sidewalks when they are available, or walk along the left side of the road, facing traffic.
- All children under age 14 must wear a helmet for bicycling; a helmet is recommended for all bicyclists and in-line skaters, regardless of age.
- Wear bright-colored clothing and display reflectors and lights after dark.

Additional information can be found in *Dutchess County Scenic and*

*Historic Drive Tours, Rhinebeck Visitors Guide, Dutchess County Happenings, About Town Community Guide, and many other free publications available at the Rhinebeck Visitors Center on Route 9, one block south of East Mark Street and the Red Hook Visitors Center, located on Route 9 in the center of Red Hook Village.*

*Note: All routes shown on these tours are on regular state and local roads used by automobiles, trucks, buses, and other motorized vehicles. No warranty is made regarding the safety or suitability of the routes indicated on these tours for any users, including shared bicycle/motor use or young and/or inexperienced riders. Bicyclists and pedestrians assume the risk for their own safety at all times when traveling on the indicated routes.*
